

## Important Information

The Tuscany Hotel located in a convenient area of Florence has been reserved for Course participants.

A shuttle bus will be available for all participants. A timetable will be on display at the front desk of the hotel.

"Il Guscio" is a local restaurant offering a selection of typical Tuscan dishes.

A special audio-visual IT team will assist the faculty to ensure the professional and interactive character of the teaching course.

The medical staff of Villa Donatello will also assist the faculty to ensure that the needs of all participants are fully met.

IBAN (International Bank Account Number)  
FR76 1382 5002 0008 0090 5063 143

ESLD Members € 750

ESLD Non Members € 890

# ESLD Teaching Course on Laser & Energy Based Devices

*A dynamic and interactive learning  
experience for all physicians interested  
in laser and EBD treatments*

**8-9 JULY 2016**  
**Florence, Italy**

## Partnership

This course has been designed in collaboration with the **European Society for Laser Dermatology ESLD** and **Villa Donatello Clinic** in Florence, Italy. It will provide participants with up-to-date theoretical and practical knowledge on laser & EBD applications.

## Topics

Different laser systems and EBDs will be presented and explained according to the most recent clinical recommendations:

- Skin rejuvenation
- Vascular lesions
- Pigmented lesions
- Hair removal
- Tattoo removal
- Skin tightening
- Scar treatment

## Course Description

The course will include interactive lectures, hands-on training on phantoms, as well as live and video demonstrations on selected clinical cases.

## Ideal Participants

The Course is designed for Physicians already practicing or planning to practice laser and EBD medicine and surgery.

The participants will have the opportunity to win a "One-Year-ESLD-Membership" on the last day by presenting a topic of their choice in a short 5 minute power point presentation. The prize-winner will also be announced on the ESLD website.
