

1st ESLD Competition BEST STUDENT CLINICAL CASE REPORT

For ESLD Student/Resident Members ONLY

All **ESLD student members** are invited to submit their cases on

- successful or unsuccessful treatment of a case with lasers or EBDs
- complications of a laser or EBDs treatment and its management

A short abstract (120 words in .doc format) should be sent by **Thursday 8th April** to ESLD secretariat theoffice@esld.eu

The abstract should contain all details of the case with the treatment conducted stating the parameters and any adjuvant treatment used.

Clear high quality photos of the cases before and after the treatment should be included in the abstract.

!!! The presenter is responsible for obtaining the required consent from the patient if patient photographs are shown.

A panel of experts will select the **3 Best Clinical Case reports**.

The winners will be asked to give a 5 minutes presentation of their case during the webinar scheduled on **Thursday, 22nd April 2021**, open to all ESLD Members.
