

ESLD @EADV 2017

CALL FOR ABSTRACTS

ESLD is pleased to invite all its members to join us at the EADV Annual Congress 2017 in Geneva, and contribute to the Society dedicated session by submitting an abstract. You have the possibility to speak side by side to world renown speakers and take the floor presenting your work on Lasers and Energy Based Devices.

ESLD session will be held on Wednesday 13th September 2017, afternoon.

KEY TOPICS:

- Latest Research & Coming soon
- Interesting and challenging case reports

DEADLINE

Please send your abstract no later than

Mon. 27th February 2017

Send your abstract (.doc file, max. 300 words, English language) to the Organizing secretariat

theoffice@esld.eu

indicating the relevant topic, authors and presenting author.

ESLD Scientific Board will assess all abstracts received and, if so, communicate acceptance.
