# A unique RENDEZ-VOUS

Dear Colleagues,

**2017 is fast approaching and we are already looking forward to the weekend at the end of January when the medical aesthetic profession will officially enter the New Year with the opening of the 19th IMCAS Annual World Congress.**

The congress is an unmissable event for plastic surgeons, dermatologists and aesthetic practitioners the whole world over and we are thrilled that you are considering being a part of it. Attending the IMCAS Annual World Congress is a richer, more immersive learning experience than any other in the aesthetic medical world. More than 7 000 participants, 520 expert speakers and 200 exhibiting companies are what will make this gathering of the greatest minds in medical aesthetics a landmark event, setting the bar for the rest of the profession in 2017.

The scientific program for 2017 has been carefully crafted to incorporate all aspects of plastic surgery, dermatology and medical aesthetic practice. Essential topics such as body and face surgery, injectables, suspending devices, clinical dermatology and lasers & EBD will all be covered over the course of the four days. We strive year after year to expand the scope of the field to include sessions in clinical dermatology, cosmeceuticals, hair restoration, ethnic morphologies and professional business in order to reflect the breadth and complexity of our field. As those that have come before it, this 19th edition of the IMCAS World Congress will open with a bang with the world-famous Anatomy on Cadaver Workshop via live stream for the most in-depth, detailed insights into procedures and complications.

The best thing about an IMCAS congress is that it is your congress to design. Our sessions span eight rooms simultaneously, in addition to our exhibition of major industry players over two floors. Choose the sessions that interest you most and tailor your learning to suit you and your practice.

Those of you who are familiar with IMCAS will know that no congress passes us by without ample opportunity to network, socialize and celebrate our profession in more informal surroundings. We hope to see you expanding your professional network at our Networking Cocktail or better still, throwing yourself into our themed Gala Dinner.

Don't forget that you can access content from IMCAS Annual World Congress online via IMCAS Academy, our academic and social e-learning platform. IMCAS Academy offers 1 000 videos from IMCAS congresses across the world, resulting in a digital anytime, anywhere approach that stretches beyond the congresses and offers aesthetic learning at your fingertips.

We once again extend the warmest of welcomes to all of our colleagues, both new and returning.

## The Venue

Palais des Congrès - 2 Place de la Porte Maillot - 75017 Paris

Conveniently located at the heart of the French Capital, the Palais des Congrès is a reputable business, convention and exhibition center located over three floors, offering a large exhibition space and a diversity of configurations. It is the perfect location from which to enjoy the conference in itself and also the sights and marvels of this genuinely unique city. For details on how to get there visit: [www.imcas.com/en/attend/imcas-world-congress-2017/plan-your-trip#venue](http://www.imcas.com/en/attend/imcas-world-congress-2017/plan-your-trip#venue)

## Official Conference Languages and Simultaneous Translations

ENGLISH is the official congress language.

English / French / Russian translations will be provided in selected rooms through headphones available in exchange of guarantee at the Audio Center located on level 2.

## Insurance

Neither IMCAS Secretariat nor the Palais des Congrès accepts any liability for damages and/or losses of any kind which may be incurred by congress participants or by any persons accompanying them, during both the official conferences and social program.

Attendees may participate in all events at their own risk. Attendees are advised to take out insurance against loss, accidents or damages that could be incurred during the Congress. Verbal agreements will not be binding unless they are confirmed in writing.

## Recording Policy

Recording (Photographic, Video and Audio) of the sessions of IMCAS congresses is STRICTLY PROHIBITED. Violators will be banned from future meetings and their equipment will be confiscated.

## Nominal Badges

IMCAS strictly complies with the criteria required for CME accreditation. That is why the access to the conferences is subject to a number of strict rules, aiming to guarantee the scientific independence of the conferences, and to preserve it from any commercial interest or influence. A precise Badge Policy has been implemented, specifying the rules related to the admittance to the different areas of IMCAS conferences.

IMCAS Badge Policy is mandatory for all the participants. Its violation authorizes IMCAS Staff to take measures, and may lead to the withdrawal of the badge and the prohibition of access to the conference area. According to each participant's status (delegate, faculty, exhibitor, etc...), a corresponding barcoded badge is issued.

## Badge Categories

IMCAS welcomes all professionals dealing with the world of aesthetics: doctors and all related professional bodies. Access to the Exhibition Hall is available for all badge types. Access to the Conference Rooms is dependant upon whether one holds a physician, a non-physician, or a corporate professional badge.

Register online at:

<http://www.imcas.com/en/registration/imcas-world-congress-2017>

Fees for a full delegate registration include:

- all conference sessions during the 4 days (excluding Teaching Courses)
  - access to the exhibit area including lunches and coffee breaks
  - networking cocktail
  - complete program book and USB key containing all conference details
- Companies and participants may copy materials for their personal use but further copy for sale or for any other commercial purpose is prohibited without prior permission of IMCAS.

## Optional Teaching Courses

IMCAS Congresses offer their attendees the possibility to register for optional teaching courses, providing an opportunity for in-depth exposure to specific techniques and topics. These special courses require additional fees. Given the limited number of seats, please, register early before your course selections sell out! Find out more at [www.imcas.com](http://www.imcas.com)

## Learning Spots

A number of dedicated areas are available of level 2 and 3 of the conference venue and are dedicated to provide additional learning and access to scientific journals.

## E-learning Station

Scientific lectures in electronic format (E-PAPERS) can be viewed here, offering the possibility to send personalized emails to the authors and exchange ideas. Computers are available at the e-learning station allowing participants to browse the web and submit their evaluation.

## Journal Corner

The purpose of the journal corner is to provide each delegate with free access to a few scientific journals edited by medical learned societies. Each journal partner has been chosen by the IMCAS Scientific Board for its scientific quality.

## IMCAS Daily Journal

The IMCAS Daily Journal is a 4-page journal distributed every morning during the congress. Printed overnight, each edition is packed with fascinating scientific articles along with tweets and photos from the preceding day. Be sure to pick up your copy every morning!

## Scientific Poster Session

Posters will be displayed in a dedicated area of the conference venue and will be accessible to attendees at any time for the duration of the congress period. The poster session will be held on Saturday 28 January at lunch time (12.30 pm) allowing for contributors to present their work and for attendees to be able to meet the authors.

## Accommodation, Transportation and Tours

IMCAS partners with a number of selected hotels in Paris and has the pleasure of offering its attendees the possibility to book at special negotiated rates. Our official travel agency partner is at your service to help you organise your the details of your stay in Paris. Further details are available on our dedicated Accommodation page.
